

Technical Rule no. 01 MCV

(under Article 4 of the Integrated Text of the Electricity Market Rules,
approved by the Decree of the Minister of Productive Activities of 19 December 2003)

Title	Dates and times of the trading sessions of the Green Certificates Market
Reference Legislation	Article 86, para. 86.3, of the Integrated Text of the Electricity Market Rules
Published on 13 July 2006	

1. Introduction

Article 86, para. 86.3, of the Integrated Text of the Electricity Market Rules, approved by the Ministerial Decree of 19 December of 2003, stipulates that *“The dates and times of the trading sessions of the Green Certificates Market shall be published on GME’s website”*.

The trading sessions of the Green Certificates Market shall take place at least once a week in the period from January to March each year and at least once a month in the remaining months of the year (Art. 86, para. 86.2, of the Integrated Text of the Electricity Market Rules).

2. Publication of dates and times of the trading sessions of the Green Certificates Market

The dates and times of the trading sessions are published on GME’s website (“Green Certificates Market/How to Operate/Sessions” section) at least 5 days prior to their beginning.
